Occupancy Address: _____	
Tenant: _____	Telephone: _____
Owner: _____	Telephone: _____
Owner's Address: _____	

The City of Marysville Community Development Department's review of this project indicates there is a potential for it to be used for one or more of the hazardous operations, processes or storage listed below. If this is the case, special fire protection features may be required beyond those specified in the initial building permit plan review. In addition, the Fire Department will review the project for Fire code provisions.

Please check the appropriate box below, sign, and return this form to the Community Development Department at the address listed above. If you have questions, please contact us at 360-363-8100. If additional fire protection features are required, you will be notified in writing.

- [ ] This building will **not** be used for one or more of the hazardous operations, processes or storage listed below.
- [ ] This building **will** be used for one or more of the hazardous operations, processes or storage listed below. A permit may be required.
